

## The 2010 Season is Approaching!

Last Updated Monday, 01 February 2010

The 2010 racing season is quickly approaching and we are looking for volunteers to help support stock car racing in the region! If you are interested in computers, spotting, helping out in canteens, announcing, or whatever you want, do not hesitate to contact us! Without your continued support, racing at the Emo Speedway would not be successful. We are especially looking for people who can help at doing lineups as well as week to week program support. Please use the link at the bottom left to contact us.

Our schedule will be updated in the coming weeks providing you more information on the upcoming season. Get yourself geared up for exciting side by side action once again at the Emo Speedway presented by the Borderland Racing Association!
