

## Tech Inspectors Needed!

The Borderland Racing Association is actively looking for people who would like to volunteer during the racing season as a tech inspector. The job will allow you to become familiar with the rules and how engines work in the sport of motor racing. This would be valuable experience for any aspiring or current mechanic! Become a part of the team at the Borderland Racing Association. If you are interested in this great experience, please contact us on the empty form under "Contact Us" link, or call 807-486-3405 for Brian Trimble, or 807-487-2275 for Deb Westover-Morriseau to let us know if you want to participate.
